Clear view maps

Mark KC9PJJ

We talk about updating the maps with new locations would like to have it done by March

SET discussion

Fred thanked Mike KC9JIK for being net control for the Monday night net we discussed the SET the good the bad and what we learned from it we talk about how we could make the shack better for traffic passing

If the club is interested should we have a speaker come and speak to us about APRS?

Mark KC9GHQ

Discussed the possibility of having a speaker about APRS it would be a great thing we should look at next spring

Possible Tech class by SCVRA

Chuck WD9GWW

They would like to hold another Tech class in the spring and wants to know if we would like to help with the class again we also discussed the possibility of holding an up grade class for members that would like help with upgrading to General

Bill 429

We will write a letter to or representatives
